# WHAT IS NO EXCUSES UNIVERSITY?

NO EXCUSES UNIVERSITY

Your student attends a **No Excuses University School**. No Excuses University (NEU) was founded by Damen Lopez in 2006. As a No Excuses University, your student's school demonstrates a commitment to the development of **Six Exceptional Systems** and meets the criteria for membership in the **No Excuses University Network of Schools**. **THANK YOU** for your support throughout the school year as your student's school strives to develop a *Culture of Universal Achievement* where all students can achieve their goals and earn their success!

SIX EXCEPTIONAL SYSTEMS

We believe that every child deserves the opportunity to be educated in a way that prepares them for college if they so choose to attend. When schools exhibit a *culture of universal achievement* by believing in students, they *collaborate* around that belief. During collaboration, they *align their standards* as a team. As teams align standards, they need to *assess* the standards and *manage the data*. Then, and only then, can they pursue meaningful *interventions* with their students. All NEU Schools are united by their continuous effort to develop Six Exceptional Systems on their campus.

NEU NETWORK OF SCHOOLS

The No Excuses University Network of Schools is a diverse and dynamic association of like-minded schools and education organizations from across the United States. Our Network is united by the belief that ALL children, even those who live in poverty or who are learning English, can be academically successful and attend college. No Excuses Universities know they have the power to make that dream a reality. There are currently 249 schools in 19 states in the growing No Excuses University Network of Schools.
